Aloha Facilities, Engineers, & Contractors,

To satisfy requirements from CMS to comply with the NFPA 99 Code for the 2012 Edition. Holden Hospital Supply is hosting educational classes for the Hawaii State Health Care Facilities, Engineers, and Local Medical Gas Installation Contractors.

Upcoming ASSE Training Classes

March 20th, 2023 (9AM-1PM): Fee is \$600/ person.

- **ASSE 6005,6010,6020,6030, AND 6040 RENEWAL**
4-hour renewal training class for all expiring MGTC and HHS students. This class is required every 3 years.
* Includes NFPA 99 2021 edition book

March 21st-23rd, 2023: Training will be 3 days, 8 hours per day. Fee is \$1,500.00 / person.

- **ASSE 6005 Medical Gas Systems Generalist** (Design Engineers, Architects, Government agencies)
Provides general knowledge of medical gas & vacuum system equipment for the purpose of providing continuing education
- **ASSE 6020 Medical Gas Systems Inspector**
Shall be employed by a governmental unit as a plumbing and/ or mechanical inspector, or as an administrator of such inspectors; or be a regularly involved in the design, inspection, and verification of medical gas systems. Shall have a minimum of two years of documented practical experience or any combination of the above.
- **ASSE 6040 Medical Gas Systems Maintenance** (For Facility Personnel)
*Prerequisite: one-year minimum experience in the maintenance of medical gas & vacuum systems

March 21st-24th, 2023: Training will be 4 days, 8 hours per day. Fee is \$1,950.00 / person.

- **ASSE 6010 Medical Gas Systems Installer** (Contractors or In-House Facility Plumbers) Have a minimum of four years of documented practical experience in the field of installation of plumbing or mechanical piping systems. *Additional cost for brazing equipment & materials*

These classes will be held on a contingent basis. Classes may be cancelled and, or added based on participation. Classes will take place in the **Kapa'a Industrial Park at Tradition Coffee Roasters, 905 Kalaniana'ole Hwy. #3201, Kailua, HI 96734.**

The class will be instructed by ASSE 6050 Instructor, Mr. Richard Miller. Richard is well known in the medical gas industry and is one of the best in the country for Medical Gas education.

Please feel free to contact me for more details & information.
